LEWIS J. LIMAN, United States District Judge:

Defendants O'Melveny and Myers and Stuart Sarnoff have moved for attorneys' fees.

While Defendants have submitted time sheets to support their motion, the time sheets lack specific descriptions of the work done and thus the Court is not able to determine whether the hours were reasonable. *See, e.g., N.Y. Ass'n for Retarded Children, Inc. v. Carey*, 711 F.2d 1136 (2d Cir. 1983). Defendants are hereby given leave to file such records or contemporaneous evidence of the reasonableness of their hours by Friday, March 29, 2024.

SO ORDERED.
